The Bible Says

Hyblaiah Melver

The one origin of man is not only good Bible but it is a basic scientific fact. There are no superior bloods and there are no superior races. However, this is one of the hardest truths for many Bible believers to accept in America, particularly in the South where certain people follow the pattern of race superiority. Those who are responsible for spreading and keeping alive prejudice and hatred would have us believe that man was not created of one blood. They may say that some men should not be permitted to live here on earth, or if they must dwell here on this planet they should not be permitted to abate and enjoy the same facilities in society.

There are many leaders who deny the basic truths of the Bible. The most widely known leader of this type was Adolph Hitler. He taught a doctrine of superior bloods and superior races. According to him the Negroes and the Jews were the lowest class of humans and that they should be segregated into certain sections and destroyed.

Hitler's principles caused more than twenty million people to lose their lives, but he and his principles were removed from the face of the earth in Germany. Since the things that Hitler stood for and practiced were so inhuman, millions of courageous fair thinking people destroyed him and his teachings in order that the humanity as a whole might enjoy some of the pursuits of happiness that are automatically theirs.

Hitler's teachings and practices were branded as inhuman and unlawful by every fair thinking individual on the face of the earth and yet here in America there is an organization that teaches and practices the same things that Hitler was destroyed for.

Everyone knows that the Ku Klux Klan denies the truths of the Bible and teaches the doctrine of hatred and prejudice for the minority races, especially the Negro.

The Ku Klux Klan operates under the identical principles that Hitler taught. If Hitler was destroyed because of his inhuman teachings and practices, then why are the Ku Klux Klan being permitted to operate in certain sections of a democratic country such as ours?

Before any of us can enter into the kingdom of heaven we must have hearts like little children.

If we wonder what the heart of a child is like we can watch their actions in every day activities and come to an answer. Little children play in harmony together unaware of the fact certain people have different creases or that their skins are of a different color. They continue to play in harmony until they are indoctrinated by their parents, who are in many instances considered good Christians by the society in which they live. Small children play together in harmony because they are born without any knowledge of hatred, skin colors or differences in creases, bloods or races.

Can anything be plainer, when the Bible says that we cannot gain entrance into heaven until we become as little children? Little children are without hate, malice or prejudice for their contemporaries and they remain this way until they are indoctrinated by their supposedly Christian parents.

These of us who aren't being taught that all men are of the same blood are receiving false teachings. Until our thoughts and actions become as those of a little child, we cannot enter the kingdom of heaven—so says the Bible.

My Views on Planned Parenthood

By Johnny Gilbert, Jr.

The number of births in a family should be controlled according to the amount of wealth that the family possesses. A rich or semi-rich family can better support a large group of children than a poor family can.

Birth control is very important in our society because we find that too many children are being born to parents who are not financially able to give them the right support. Among the poorest of people the birth rates are not as high as they are in the poor class. My explanation of such would be that the rich class has realized the expense of a large family, and the poor class has still got no consciousness of such.

If our birth rates in America must be high, I think they should occur among the rich and semi-rich class of people so the children would be supported well. The poor class of people should have small families because of little wealth they are not able to support large families.

Three outstanding events spotlight the international news of this issue.

The resignation of Sir Winston Churchill as Prime Minister of Great Britain, who has been called the greatest man the 20th century has yet produced, brings to a close an era enriched with great achievement and enlivened with brilliance and wit. The only living member of the famous "Big Five" during World War II (Roosevelt, Churchill and Stalin) will be long remembered for his attack against any offender of freedom.

But his restless genius and hunger for the limelight makes it fairly safe to predict he is not safe his final bow to his vast world audience. The Asian-African conference will mark the first time that Asian and African nations have got together without the participation of any western powers. This conference will represent more than half the population of the globe, and in scope and importance will rank second in world affairs only to the annual meeting of the United Nations Assembly.

It is the belief of this reporter that rivalries, cross-currents and animosities are bound to arise at this conference, but there is one feeling that will be shared by all African-Asian conference marks a manifestation and upsurge of the feeling of unity among peoples and nations who, with some exceptions, have in modern times played roles subordinate to the peoples and nations of the west.

The Soviet Union has terminated the arrangement of a treaty with Austria. In the west this announcement developed cautious optimism. The Austrian-Russian agreement seemed to enhance the prospect for a Big Four Conference on Europe and to provide a concrete test of the Russians' intention to deal in good faith. At the same time there has been a feeling that Austria was being used as a Russian pawn in a gambit for the greater prize of Germany. It is inclined to believe in the second view. The Russians' real aim is to thwart the Western venture for armament of West Germany under the North Atlantic Treaty Organization. They may be preparing to tempt the Germans with the thought "You too can be unified and sovereign if you stay neutral." The temptation to the Germans is likely to be strong, and the test of western diplomacy formidable.

Speaking of Books

By Dorothy Davis

These four books have been selected as the most popular of the month and are now in our library.

To all persons who are interested in improving their reading ability the library has received and received Rudolf Plesch's newest book, *Why Johnny Can't Read and What You Can Do About It*. This is a must for every parent and an angry book by an American parent telling how the American system of teaching children has failed the child. *Why Johnny Can't Read* contains complete material and instructions for teaching children to read by the old standard methods.

The biography *Grade Lawrence* As a Major. A written by Richard Stoddard Aldrich is an intimate biography of the great star,

There has always been an argument as to why would he served first in the dining hall; but there was never an answer. Most of the students crowded to the front of the line and straggled to get ahead of the next person. Now, of course, it will be different because the Veterans' Club has started a project that is designed to improve the atmosphere in the dining hall during regular meals.

To improve the atmosphere, the club will place monitors in the dining hall to regulate the line and entering side doors. This will enable everyone to have a fair chance of first come, first served.

The president of the Veterans' Club, Mr. James Thomas, has appointed the following persons to work in helping put this project through successfully: Mrs. Debra DeWitt, Conner, Conyers, James Cooper, Reubin Cooper, Alexander Gardner, Jr. and Charles Pugh.

This is one of the social education projects that has the full support and approval of the office of the director of student personnel.

Career Conference Held on April 4

By Daniel Washington

During the week of April 4th and 5th, The Division of Home Economics and The Department of Business Administration sponsored the Career Conference at Savannah State College. The purpose of the conference was to get more of our young people interested in applying for jobs in which they will earn more money and have the advantages of seeking higher goals in employment.

Mr. M. T. Furey, Director of Vocations, Urban League, Atlanta, Georgia, was the keynote speaker in all college assembly on Monday, April 4. Mr. Furey pointed out the many job opportunities that await intelligent and ambitious young men and women who have the desire to reach higher goals. Some of the jobs were Industrial Engineering, Production Engineering, Personnel Managers, and Secretarial Jobs. Some of these jobs were not offered in our immediate section of the country. This brought out another thought which Mr. Furey discussed, the need to travel. There are many job opportunities in other sections of the country and many of us can fill these positions by doing a little traveling.

Other participants of the program were Dr. W. K. Payne, President of Savannah State College; Mrs. E. R. Terrill, who gave the purpose of the conference, and Mr. R. C. Long, Sr. who introduced the speaker.

Other activities of the day in-

Gertrude Lawrence. The story of a magnificent romance of our time—the vivid and marriage of the vivid, fascinating personalities.

Patrik Dennis' novel *Auntie Anne*; the hero of this adventurous novel is a wealthy young man who is handsome and rebellious an heiress as ever, made the 30's bluff, the 40's shout and the 50's beg for mercy.

Strap on a mustache and laugh, even just a little, and liked it, get set for a wonderful time. *Auntie Anne* will do the rest.

Our list of popular books would not be complete without mentioning Jim Bishop's novel, *The Day Lincoln Was Shot*. A novel written for the first time telling of the dramatic hour-by-hour story of a day in history, the death of Abraham Lincoln.

cluded a discussion "April 1955 was Business Day". This discussion was held in the dining hall and Mr. R. C. Long, Sr. acted as moderator. Other participants were Attorney T. R. Organization Highlights

Alpha Kappa Alpha Sorority

The sisters of Alpha Kappa Alpha, remembering the aims of their sorority, are striving hard to make this year one of the most successful in their history.

Many thanks to the brothers of Alpha Psi for their assistance and to you who helped us make the following activities a success: A three act play "The Professor Proposes!"; a movie "The World in My Arms"; and Our Western Hop.

On April 21, we are sponsoring a chapter Quiz program "Queen for an Hour." We are expecting a large contest to be held from each four classes, the person answering the highest number of questions will be crowned Queen.

The sisters are preparing for their spring fund raising project, to send two brownies from Powell Laboratory School to camp this summer.

Congratulations to Soror Gamble who has just made Alpha Kappa Mu; to Sorors Young, Demons, Jackson, Gamble and Bryant for completing their studies with such great success. We welcome Sorors Cutler, Terry, and White who are now doing student teaching.

Sigma Gamma Rho Sorority

Alpha Iota Chapter of Sigma Gamma Rho Sorority wished to thank the student body and friends for making our "Spring Fiesta" dance a success. On March 11, Soror Pasha, along with three other Sorors from the regional Chapter took a plane to Tampa, Florida, to attend our regional meeting. She had a very enjoyable trip and brought back many new and valuable ideas. We are happy to have some of our sisters visit us during the Alpha Kappa Mu Convention.

The Alphas Speak

To you—Anetta Gamble, Celia Hall, and Walter McCall, the Alphas are congratulating you on your scholastic attainment—Alpha Kappa Mu.

The Alphas also wish to offer words of encouragement to the freshmen who are about to embark upon the desert with hopes of reaching Greekdom. The sands will be hot, so we are asking you people to take your coats with you as you undertake the task which lies before you.

We are happy to announce that this chapter served as host to the brothers who were here with the Seventeenth Annual Convention of Alpha Kappa Mu. The pleasant moments with these brothers will be remembered among the Alphas of the Brothers of Delta Eta.

News About the Brothers

Brothers Brannen, Polte, Lutten and Johnson are on the field this quarter engaging in student teaching. These Brothers hope to graduate either in June or August.

Brothers Walter Knox and Willie Williams were sent as delegates from this chapter to the regional meeting in Knoxville, Tennessee. The brothers are looking to a very successful joint ball with all other Greek Letter organizations on the campus. We are offering all of the brothers to assist in any activity where help is needed.

Congratulations to the Tiger's Roar for a well planned program, the press, radio, and yearbook institutes. We feel that through such means as these we will educate our young people into the best type of Journalists possible.

Kappa Alpha Psi

Gamma chi chapter of Kappa Alpha Psi fraternity is in the stages of preparation for its fourth annual variety show. The

young ladies competing for the title of "Miss Kappa" show plenty of zeal and seem determined to win. The program promises to be fruitful in every respect. Some of the best talent of this locale has signed to participate in the show. Incidentally a most capable emcee was selected.

Immediately following the variety show the brothers are intensively concentrating on National Guide Right Week. In the program Kappa Alpha Psi helps young, not yet in college, as well as college members, as well as Kappa Alpha Psi, is marked by its success in promoting this movement each year. The brothers of Gamma Chi plan to take their proper place in the ranks and conduct a positively reflecting program.

Our adviser, Brother Camper, is providing chairmen and has already been given a commendable job to start The Guide Right Week with a bang. The concentration week of the Kappa Alpha Psi Guide Right Program is April 24-30.

The brothers are proud of brother David Lurry for accepting to do his practice work in Eastern Georgia in order to allow another student to remain in Savannah to continue his work—aid which has helped so much in his school expense. Our adviser, Brother Camper, for this sincere sacrifice.

From Behind the Shield

Brothers Arnold and Williams Attended the District Conference in Tallahassee, Florida, and reported that the experience proved to be enjoyable as well as informative. They motored to the confab with grad-brother T. J. Hopkins, who is a well known Savannah resident.

New Officers for the forthcoming school year are John A. Arnold Basileus, George Williams, Jr. keeper of records and seals, Melvin Marion Keeper, of finance, other officers will be named later.

The G's along with their sisters of the Delta, sponsored a joint social party at the college center. The affair drew a capacity crowd. The decorations were in keeping with the Easter season. A huge Easter rabbit sat on a table in the center of the room surrounded by Easter eggs painted Delta and Omega colors. The success of the affair is proof of the kinship of the Omegas and the sister organization. (until next issue, see you in Greekland)

Choral Society Goes on Tour

By Ethel L. Mack

This is "our season" for the Choral Society. All of you have heard of it, but some of you have asked about the trips that we're making. To ease that wonder here is a synopsis of what we've been doing.

On March 7, we sang at the George Washington School in Sylvania, Georgia. In concert in Sylvania, the principal of the school, Mr. Joseph Lacy, took us on a tour of the beautiful and spacious campus.

It would be mentioned that after many years of enduring with an ill-equipped school, Sylvania will soon be able to open her doors to a new school, which is estimated to cost a little over a million dollars.

On March 31, at 8 p.m., the chorus sang at the evening session of the Alpha Kappa Mu National Convention. The selections rendered were "Go Down Moses," and "Ride the Chariot." Alexander Lutten was the tenor soloist.

On Friday morning, April 1, the Choral Society again appeared for the Alpha Kappa Mu Convention. They sang "The Italian Street Song"; with Miss Lula Hadley, a freshman from Thomasville, Georgia, as soprano soloist. So well rendered was this selection that it raked an encore.

On April 5, we gave an afternoon concert in Dublin, Georgia. An evening concert was given on the same date in Lyons, Georgia. Wednesday evening, April 6, we gave a concert in Statesboro, Georgia.

On April 8 (Good Friday), the Choral Society appeared at St. Matthews Episcopal Church in Savannah, Georgia, singing "The Seven Last Words of Christ." This program was given at eight o'clock in the evening.

On Palm Sunday the Choral Society presented "Seven Last Words of Christ." On that day, this cantata was recorded by WJIV, and selected as one of the programs to be heard on Easter Sunday.

Our soloists for that Sunday were Miss Lula Hadley, Earnest Greene, and Robert C. Long, Sr. because of a cold Mr. Joseph Brown was unable to sing the tenor solos, but we were more than grateful to Mr. Long for taking his place on such short notice.

Now that you know the places we went, perhaps you would like to hear of some of our renditions.

Usually our first three numbers were classics. Some of the classics that we sang were "God Be in My Head" by Grant Scharfer; "Let Every Tongue Adore Thee" by Bach; "Lacry moses," from the famous "Requiem" by Mozart.

And a long and difficult piece from the Romantic period, "How Lovely is Thy Dwelling Place" from Brahms' "A German Requiem."

The ensemble also rendered numbers on the tour. Some of the songs they sang were "Bless Thou the Lord, O My Soul" by Ippolito Ivanof and "Rockin' Jerusalem" by Work.

After the ensemble performed, the full chorus rendered such songs as "Dance A Cachucha" from the operaetta, "The Gondoliers" by Sullivan; from the Operaetta "Naughty Marietta"; by Victor Herbert, or the "Italian Street Song."

Our programs were climaxed by three Afro-American Folk Songs. Some of these folk songs were: "Go Down Moses," arranged by Dr. C. A. Brathwaite. "There is a Balm in Gilead," also arranged by Dr. Brathwaite and "Ride the Chariot," arranged by Smith.

After each of the Concerts, we entertained on the Alma Mater, "We hail The S.S.C."

On our final three concerts, three words from the "Seven Last Words of Christ" were added to the program to emphasize Holy Week. These words were received in silent meditation—at all of our final performances. Whenever the Choral Society leaves the campus, the Alma Mater is sung. This is a reminder that when they are away, they proudly represent Savannah State College and not the Choral Society.

Choral Society in Easter Program

The Savannah State College Choral Society presented "The Theodore Dubois' "The Seven Last Words of Christ" on Sunday, April 3, 1955 in Weidman Auditorium.

Dr. Coleridge A. Brathwaite conducted the performance, and Miss Evelyn V. Grant, a member of Fine Arts Department, assisted at the organ. Soloists included Miss Lula Hadley, Soprano, freshman from

Thomasville Georgia; Mr. Joseph Brown, Tenor, Sophomore from Columbus, Georgia; and Mr. Ernest Greene, Baritone, from Savannah, Georgia.

The program was opened to the public without charge. The concert was enjoyed by everyone who attended.

Campus Fashions

By Eugene Julia Baker
Now that spring has come everyone is gaily dressed with the season. Spring is a wonderful time of the year. The trees, the flowers and other shrubs are beginning to bloom.

I believe that spring is one of the best seasons of the year, because our campus is nature itself. But as the young ladies and young men walk around in their gay and brilliant colors we can see that spring is here.

The young ladies have on their low neckline dresses with their long string pearls. Most of the young ladies are dashing for the latest fashion of seamless hose. The young men are real gone for the "Mr. B" pink shirts with the black, brown, and gray charcoal suits. They are also going for the rose colored T-shirts. Thanks to Mr. Easter Bunny, Easter is here again. Every one will be wearing his pink, white, lavender, yellow, and light blue colors.

Toasts for Humor

By Marie Mohammed
Here's to the soldier and his arms

Fall in, men, fall in;
Fall in, women and her arms,
Fall in, men, fall in!

Here's to the man who takes a wife,
May he make no mistake
For it makes a lot of difference
Whose wife it is you take.

Here's to our creditors—May they be endowed with the three virtues, faith, hope, and charity.

A toast to the five secrets of happiness: Money, money, money, money, money!

May bad luck follow you all your days and never catch up with you.

Spring

By Reubin Cooper '57
When the Easter wind blows furiously,
Tossing the tree tops to and fro;
Spring again knocks at the door.

When the trees are filled with blossoms,
The scent of honeysuckles fill the air.

Birds fly from tree to tree singing merrily,
We know that spring is here.

As Mother Nature again repeats herself
The grass is turning green,
Living things take life all anew
And smile in satisfaction, so it seems.

No longer do we spend the day in doors
To hide from the cold and rain;
We go out in the sun, to join the fun
For spring is here again.

Why women are so beautiful and so dumb?
After he had finished speaking a lady was asked to respond, and she said the following: Women are beautiful so that men can love them, and they are so dumb so that they can love men.

Sports As I See It

By James L. O'Neal

Savannah State lost its first baseball game of the season on April 7th at Savannah, when they were set back 16-0 by the hard-hitting Allen Yellow Jackets of Columbia, S. C.

Savannah State and a capacity crowd including a number of Olympic team hopefuls entered the Tuskegee Relays, one of the South's oldest track and field carnivals, to be run off at Tuskegee, Ala., May 6-7.

Other entering teams included Clark, Morehouse, and Morris Brown, Atlanta; Fort Valley State College, Fort Valley, Ga.; and Albany State College, Albany, Georgia.

The Savannah State Tigers won their second basketball tournament this season as they won the first Georgia Inter-Collegiate tourney which was in Atlanta.

The Tigers advanced to the finals by turning back Clark College 161-83 and won the Championship by defeating Morris Brown 91-83.

Other teams that participated in the tournament were Fort Valley State College, Fort Valley, Ga.; Albany State College, Albany, Ga.; Palm College, Augusta, Ga.; Clark and Morris Brown, Atlanta, Ga.

According to the experts, it will be the New York Yankees and the New York Giants in the 1953 World Series; however, since this is a matter of opinion, here it is mine.

Cleveland will not win 111 games this season but they still have the best pitching staff in the league plus Ralph Kiner who will probably hit 30 to 40 home runs.

Brooklyn was not off too bad last year but should be better this season with the come-back of Roy Campanella and Don Newcom plus a year's experience for Manager Walter Alton. To me it looks like the Indians and Dodgers—How about you? yes.

"A CHILD'S CROWN"

Tis oft told in the villages That a small Boy—just a Child— Once left his home to wander far O'er fields and forest wild.

Tis oft told in the city squares How He lamed the savage beasts, To bear His voice, to be near Him,

They came from West and East.

Tis oft told in the royal courts That one day came a storm. The rain fell and the wind blew hard; The Child's love stoll glowing warm.

Tis oft told on the open seas That He returned whence He was born. Among His treasures was a crown— It was a Crown of Thorns.
