

A Merry Christmas and A Happy New Year

SAVANNAH STATE COLLEGE ALUMNI NEWS LETTER

Volume 1—No. 1

SAVANNAH, GEORGIA

December, 1959

Mrs. Sadie D. Steele, Georgia's "Teacher of the Year," proudly displays plaque awarded her by the National Alumni Association for her many outstanding contributions to her profession and the Alumni Association. Mrs. Steele is currently teaching at Sal C. Johnson Elementary School, Savannah, Ga.

Wright Co-Coach Of the Year

The Southeastern Athletic Conference recently announced that Theodore A. Wright, Sr., Athletic Director, head basketball, track and field coach of Savannah State College, has been named the Co-Coach of the year. Mr. Wright who is also Secretary-Treasurer of the Conference has been Athletic Director at Savannah State since 1947. He is widely known nationally in the field of Health and Physical Education. Since coming to the College, he has produced a number of championship basketball and track teams.

Savannah State College Receives \$4600 From Alumni Scholarship Fund Drive

Dr. William K. Payne, President of Savannah State College, announced he received \$4,600 from the Alumni Scholarship Fund, which includes more than \$3,000 from local businesses. The check was presented by Mr. Leonard D. Law, "31", President of the Savannah State College National Alumni Association. Mr. Law serves as personnel assistant at the Union Bag and Paper Corporation.

nah Sugar Refining Corporation, \$500.

J. V. Ryan, Savannah Pilots Association, \$150. Donations of \$100 were received from the following: L. C. McClurkin, President, Savannah Electric & Power Company; N. K. Clark, President, The Liberty National Bank & Trust Company; The Bernard F. Diamond Foundation, Peter E. Czarny, The Shaving Powder Company and Reuben Clark, President, Savannah Bank and Trust Company. Ashley K. Deating, Ashley K. Deating Foundation, Inc., and J. C. Lewis, Jr., J. C. Lewis Motor Company, Inc., donated \$50 each.

Donations of \$25 came from the following: R. E. Smiley, Jr., The Great Atlantic & Pacific Tea Company; William F. Lynes, Jr., Lynes Mortgage Company; R. V. Hinely, Vice President, Personal Credit Corporation; David Rosenweil, David's Super Market; J. C. Mettis, M.D., Lewis, Wyly and Javetz, Attorneys-at-Law; Charles F. Morgan, Desbouillions, Inc.; M. J. Koncul, Chatham Home Builders; W. J. Bush, District Manager, North Carolina Mutual Life Insurance Company; J. Milton Lent, Plant Manager, American Can Company; Nephew K. Clark, President, The Liberty National Bank and Trust Company; Celtus W. Bergen, A.I.A.—Architects; Ernest Bull, Annette's Dairy; George F. Hoffman, Dixie Engraving Company; and J. S. Poindexter, Jr., The Savannah Coca-Cola Bottling Company, \$20.

14 SSC Students Make Who's Who In American Universities and Colleges

President William K. Payne announced the names of fourteen students nominated for Who's Who Among Students in Universities and Colleges. The final list has been accepted. These students are James Austin, business administration major from Emery Street High School, Dalton, Georgia; James Deen, biology major from Alma High School, Alma, Georgia; Eleanor Johnson, English major from A. E. Beach High School, Savannah, Georgia;

Beach High School, Savannah; Ruby Sims, mathematics major from Ballard Hudson High School, Macon, Georgia; and Ruby Williams, Home Economics major from A. E. Beach High, Savannah.

The fourteen honorees met the following standards: 2.00 average or above; above sophomore level; must have been in College at Savannah State a year prior to being nominated; excellence in scholarship; leadership and participation in extra-curricular and academic activities; character; citizenship and service to the school, community and society; and cases of unusual contributions and outstanding contributions will be considered and studied by the Administrative Council.

Nathaniel Johnson, mathematics major from Sophronia Tompkins High School, Savannah, Georgia; Willie Mae Julian, business administration major from Sophronia Tompkins High School, Savannah; Geraldine Lindsey, mathematics major from Hutto High School, Beaufort, Georgia; Willie Lester, social science major from Union Institute, Jefferson, Georgia; Yvonne McGlockton, English major from A. E. Beach High School, Savannah;

James Nevels, English major from A. E. Beach High School, Savannah; Sherman Roberson, chemistry major from A. E. Beach High School, Savannah; Roselyn Scurdy, social science major from A. E. Beach High School, Savannah; Josie Simpson, English major from A. E.

Students are first nominated by all student organizations in good standing and by the departments of the College. This action is in keeping with the above criteria. They are then cleared through the Business Office, Registrar's Office, Personnel Office and the Dean of Faculty's Office. Thirdly, those names which are cleared through all four offices, go to the Administrative Council and the President of the College for final clearance or substitution.

Notes From the Editor's Desk

The publishing of this Alumni Newsletter is another step in Dr. W. K. Payne's plan to make our alumni the best in the country. It is just another one of the many investments he has been making in the alumni of our College. I am sure you will agree that this investment will return handsome dividends to us in the forms of scholarship aid for the College and renewed interest in the total College program by the alumni. Congratulations for his foresightedness are certainly in order.

The fact that white business firms donated more than 69 per cent of the \$4,600 (this is the largest amount ever given to the College by the alumni in a single year), given to the College by the alumni should cause many of our alumni to have insomnia. It is estimated that we have a potential of 7,000 alumni and we are reaching about 3,500 of these. If only 50 per cent of those who are reading have given the \$500 tax deductible contribution asked for in the National Alumni Association Constitution, we could have given the College \$8,750 plus the \$3,250 from the firms for a total of \$12,000. As it now stands our contributions averaged about 20 cents per alumnus. Since only Negro boys and girls benefit from the fund, "race pride" should inspire those who have never given anything to wake up and help the "faithful few." After all, State belongs to all of us and all of us must share in the financial burden of scholarship aid to the less fortunate Negro boys and girls.

It was very enjoyable talking to some of the grads in Athens lately. The chapter is on the ball and has never faltered in its obligations to the College since its organization four years ago. It seems that my old classmate, W. H. McBride, has the organization so busy until everyone looks forward with anticipation to attendance at the next meeting. I can remember how hard Miss Wilhelmena Hardeman worked to get things going and the ball has kept rolling, apparently picking up speed. Mr. Law has said on many occasions that if the "spirit" of Athens could be transported, our alumni problems would be solved in record time.

I had a recent opportunity to talk with Charles DuVaul and Eddie Lindsey in Columbus. Judging from their enthusiasm, the reorganization of the Columbus chapter is going to be the best thing to happen to the College in 1959-60. The chapter has invited me to come up in the near future and help them complete the reorganization and I am looking forward to this meeting. The chapter's potential is more than seventy. Congratulations, Columbus. State appreciates what you have done.

There are still too many areas in the state and country with huge concentrations of grads and no chapters. New York, Chicago, Los Angeles, Philadelphia, Miami, Kingstree, Greenville, New Orleans, New Haven, Tallahassee, are just a few of the out-of-state cities that should take note of what Raymond Knight and the Washington, D. C., grads have done. Waycross, Griffin, Bainbridge, Sylvania, Vidalia, Fords, Milledgeville, Sparta, Groveton, Hogansville, El Grange, Newman, Millen, Americus, Woodbine, Thomson, Swainsboro, Thomasville, Jesup, Ludowict, Blackshear, Sandersville, Louisville, Ocala, Douglas, Cuthbert, Quitman, Lincolnton, Vienna, Forsyth and Cairo are some of the cities in the state that should have alumni chapters. Many of the cities mentioned could easily consolidate their efforts into a single large chapter. Lyons and Vidalia, Forsyth and Barnesville are ideal for combinations. If you need information about organizing, please let us hear from you.

I would like to say thanks to our faculty and grads on the faculty for contributing so generously to the National Defense Loan Fund at the College. As a result of their generosity and the alumni who sent contributions, the College received \$16,604 from the Federal Government and was able to set up a fund of almost \$19,000 for worthy but needy students to borrow from this school year. (The Government provides 90 per cent of the fund.) With the same cooperation this year, we can get the same from the Government again. Mr. and Mrs. Fred Owens (both grads) contributed \$50 to the fund.

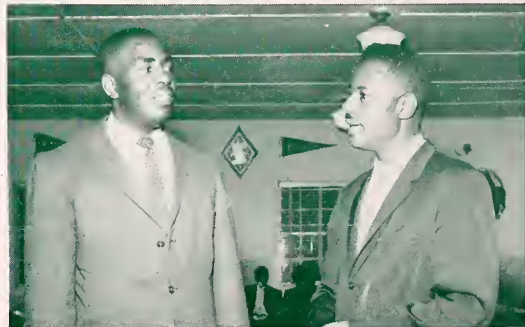

The deadline for news appearing in the February issue is January 20, 1960. Please send your chapter and individual news as soon as possible.

Please send us the name and address of any graduate or former student who is not hearing from us. We are doing everything possible to locate all of our alumni and you can be a big help to us.

PRINCE JACKSON, JR.,
 Alumni Secretary

Dr. W. K. Payne delivers Annual Alumni Address at Homecoming Luncheon. Mrs. Payne, "First Lady of College," "Willie H. McBride, '49", and L. D. Law, '31", Vice President and President of National Alumni Association, respectively, look an attentively. Mr. McBride is also President of Athens Alumni.

Prince Jackson, Jr., '49', College Alumni Secretary, congratulates Johnny Owens, '50', on his receiving Master's Degree from Columbia University. Mr. Owens is currently organizing Sylvania Alumni.

President Payne Speaks

It is a pleasure to greet the alumni and former students of Savannah State College at this time. The year 1959 has been one of special significance to the College. Some of the most important developments planned over the past decade are becoming a reality.

On September 1, 1959, the New College Library was turned over to the Institution by the University System Building Authority. The need for this facility has been recognized as essential for a sound educational program for many years. Effort has been made to increase the number of books, periodicals, and other materials that make a good college library. Through special assistance from the Board of Regents, the College has increased the staff, removed obsolete and useless materials, and provided more than \$20,000.00 for additional books and other materials. A similar program to be followed for a period of several years will further enhance the educational program of the Institution.

In the second place, the year 1959 has brought into reality a modern science and technical building. This facility will provide adequate housing and equipment for the physical sciences—chemistry and physics, and the most up-to-date technical education center on the college level in this section of the United States. The building is in the final stages of development and it should be released to the College during the early part of the coming year. In addition to new facilities for the physical sciences, there will be new facilities and equipment for the biological sciences and mathematics. The complete renovation of Herty Hall will provide laboratories, equipment, and space for these latter fields.

In the third place, the College is proud of the interest and enthusiasm of the alumni. Savannah State College is fortunate to have a growing and vital organization. The extent to which the alumni have shown their interest may be noticed by their frequent visits to the Institution, the increase in alumni scholarship funds, and the willingness of chapters and individuals to assist the Institution in recruiting promising students. These activities and many others make us feel that the year 1959 has been significant in the development of Savannah State College.

President Payne Announces Additional Faculty Appointments at SSC

In making public his new faculty appointments, Dr. William K. Payne pointed out that in this group one will find outstanding leaders in education who have worked in various capacities such as deans of colleges, college professors, high school teachers, and community and civic leaders.

The new additions to the faculty include the following: Hayward S. Anderson, Professor and Chairman of the Department of Business Administration, of Thomasville, Georgia. Anderson received the B.S. degree from Georgia State College, Savannah; B.S. Northwestern University, Chicago; M.B.A., New York University, and has done work toward the Doctorate degree at Harvard University, Boston.

Mrs. Dorothy C. Hamilton, Assistant Professor, Department of Education, Fort Valley, Georgia. Mrs. Hamilton received the B.S. degree from Fort Valley State College, Fort Valley, Georgia, and the M.A. degree from Atlanta University, Atlanta, Georgia.

Elonnie J. Josey, Librarian and Associate Professor, Norfolk, Virginia. Josey received the A.B. degree from Howard University, Washington; M.A., Columbia University, New York; and the M.S.L.S., State University of New York, Albany, New York.

Dr. Ezekiel H. Miller, Professor in the Department of Languages and Literature, Christiana, Pennsylvania. Dr. Miller received

the A.B. and B.S. degrees from Howard University; A.M., Columbia University, New York; Post-Doctoral Study, Chicago University, Wisconsin University, and the University of Denver; Ph.D., University of Dijon, Dijon, France. He has done summer study at Wisconsin University, Psychometrics; Chicago Art Institute, Art Student; University of Denver, Special Education for Blind and Backward Children; and study in Monterrey, Mexico, Spanish.

Mrs. Margaret C. Robinson, Instructor of Biology, Savannah, Georgia. Mrs. Robinson received the B.S. degree from Savannah State College and the M.S. from the University of Michigan.

Dr. Paul L. Taylor, Director of Testing and Guidance and Professor of Education, Darien, Georgia. Dr. Taylor received the A.B. degree from Johnson C. Smith University, Charlotte, North Carolina; B.D., McCormick Theological Seminary, Illinois; M.A., Hartford School of Education, Connecticut; M.Th., Western Theological Seminary, Pennsylvania; and the Ed.D., Indiana University, Bloomington, Indiana.

Dr. John L. Wilson, Head of the Department of Secondary Education, Ottawa, Kansas. Dr. Wilson received the B.S. degree from Kansas State College, Manhattan, Kansas; M.A., University of Kansas, Lawrence, Kansas; Ed.D., Indiana University, Bloomington, Indiana.

Appreciation

Mr. Leonard D. Law, President Savannah State College National Alumni Association
1603 Vine Street
Savannah, Georgia
Dear Mr. Law:

Savannah State College is indeed proud of the contribution of \$4,600 which was presented to Savannah State College by the National Alumni Association.

The College is proud that the Alumni can come to the aid of the students at a time when education is so crucial to the development of our country and the world. You are to be commended for your special effort and success in this major undertaking.

Appreciating your loyalty, financial assistance, and constructive interest in the development of the program of the College, I am

Sincerely yours,
W. K. PAYNE,
President

Atlanta Chapter Initiates Membership Drive

The Atlanta Chapter under the presidency of Arthur Richardson, '40', principal of Samuel Howard Archer High School began its current year with a membership drive dinner in Atlanta. The speaker for the occasion was Prince Jackson, Jr., '49', College Alumni Secretary, who was masterfully introduced by Charles Hubert, '42'.

Mr. Jackson's address centered mainly on the obligations of the graduate to his Alma Mater and the importance of organizing alumni Chapters in the various cities. He challenged the members and potential members of the chapter to make it the strongest in the National Association. In attendance at the meeting and giving challenging remarks were L. D. Law, '31', National Vice President, and Wilton C. Scott, Executive Secretary of National Alumni Association of Colleges and Universities and Public Relations Director of the College.

Columbus Alumni Reorganizes

By Eddie T. Lindsey

Payne, Colston, Hubert, Wiley, and Wright were names that figured in the chatter at a recent reorganization meeting held by Columbus graduates of Savannah State College.

The meeting was held in the conference room of the Fourth Avenue Library on October 26. C. W. DuVal, principal of Spencer Senior High, served as temporary chairman.

There was surprising enthusiasm exemplified by the group, and steps toward reorganization began promptly. The group held an election which resulted in Mr. DuVal being named President. Other officers include Mrs. Edgye Moss Blair, Vice President; Mrs. Edith James McCray, Secretary; Mrs. Dorothy Jackson Thompson, Assistant Secretary; Edward Robinson, Treasurer; Melton J. Allen, Chaplain; Mrs. Ethel Jones Ashe, Parliamentarian; Eddie T. Lindsey, Chairman of Publicity. The meeting was held only five days prior to Homecoming which was celebrated on October 31.

Plans are now underway for a proposed dinner meeting with Mr. Prince Jackson, Alumni Secretary, acting as the guest speaker for the occasion. This meeting is expected to draw every alumnus within the city of Columbus and also nearby cities. Thomas L. Vann, class of '52, is chairman of the committee on preparation.

Curtis P. Harris, also of the class of '52, has been given the responsibility of arranging a basketball game between Savannah State College and Alabama State College to be held in Columbus Municipal Auditorium.

Other anticipated projects include the sponsoring of the Savannah State College Choral Society in a concert at Spencer High School and the granting of an athletic scholarship to a worthy senior athlete of Spencer High.

The chapter is striving to attain a total membership of

Athens Chapter Sets 1960 Plans

By Willie H. McBride, '49'

Athens Chapter President

Recently, the Athens Chapter gave a dance for the teachers of GTEA Region 4. This was another one of the many great achievements on the mounting list of achievements of the Chapter.

In the Spring, a Scholarship Benefit Banquet will be held and it is hoped that Dr. W. K. Payne and other College dignitaries will be present. Plans are being made to have John Lawton, '39, Vice President of the GTEA appear as speaker for the occasion.

All members and prospective members have been asked to pay \$1 per month from September, 1959 to June, 1960, making a grand total of \$10. This amount will be divided as follows: \$5 for National Alumni Association Scholarship; \$1.50 for National Alumni Association membership; \$1 for Homecoming; making a total of \$7.50 to be sent to the National Alumni Association. This will leave \$2.50 for the local Chapter.

The present members of the Chapter feel that a monthly payment of \$1 will be more convenient for most people than a lump sum payment of \$10. If you cannot attend the monthly meetings and wish to pay your dues, you may send them to the president, W. H. McBride, 284 Plaza or Mrs. Emma Browning, 267 Plaza, Athens, Georgia.

The College is now publishing an Alumni Quarterly and any news that you have concerning marriages, deaths, civic and professional achievements of graduates and former students of the College should be sent directly to Prince Jackson, Jr., Alumni Secretary at the College.

If that number is achieved, the Columbus Chapter of the Savannah State College Alumni Association will become one of the largest organizations in the city of Columbus.

Or. Julius Gooden, '46', Chairman of the Biology Department of Bowie State College, Bowie, Maryland, chats with Dr. W. K. Payne, President of Savannah State College. Or. Gooden stopped at College after attending a Scientific Association Meeting in Portland, Oregon.

SAVANNAH STATE COLLEGE Directory of Alumni Chapters

City	Alumni Chapter
Albany, Ga.	Mr. Benjamin Graham '55', Albany State College
Athens, Ga.	Mr. Willie H. McBride '49', 248 Plaza

ALUMNI BRIEFS

The recent High School Career Conferences held in Athens and Columbus will be among the best held in the State this year. Mrs. Rowena B. McCree, "45", is to be highly complimented for the great job she performed in Athens in shaping such a wonderful program. Charles DuVaul, "26", was the moving force behind the wonderful program held in Columbus.

Alexander Gardner, "57", studied this summer at Florida A. & M. University under a foreign language grant. He studied the summer before on a National Science Foundation grant at Atlanta University.

Mary Lois Daniels, "56", studied this summer at Florida A. & M. University. She studied the summer before at New York University. She is at present Librarian and Spanish Instructor at Dunbar High School in Green Cove Springs, Florida.

The recent Region II meeting of the Georgia Teachers and Education Association was acclaimed one of the best ever held. The Regional Director, Samuel Smith, "48", principal of Liberty High School, McIntosh, Georgia, was congratulated by High State Education officials for the magnificent job he performed in conducting the meeting.

Eugene Washington, "49", is now a glass design engineer specializing in the building of vacuum systems and the designing and repairing of special glass apparatus for the Azusa Plant of the Aerojet-General Corporation in the Chemical Division which is the largest in the rocket industry and located in Azusa, California. Mr. Washington has done further study at the University of Southern California.

William Van Webb, "49", teacher of Biology and Chemistry at Central High School in Newnan, Georgia, was granted a stipend from the National Science Foundation to study eleven weeks at Western Reserve University in Cleveland this past summer. Mr. Webb was an outstanding student in College and graduated "cum laude." He received his masters degree from Tuskegee Institute in 1956.

James E. Wilson, "57", recently received his Honorable Discharge from the United States Army. While in College Mr. Wilson majored in General Science.

Emma Lue Jordon, "59", is serving as contact person at the Pearl Smith Elementary School in Savannah. The purpose of the contact person is to encourage the graduates of that school to meet their obligations to "Alma Mater."

W. Ivey Mack, "50", now assistant counselor of Juvenile Court, West Palm Beach, Florida, visited the campus this summer. Since leaving Savannah State, Mr. Mack has studied at Florida A. & M. University, Tallahassee, Florida.

Larry Young, "48", principal of Lumpkin High School, Lumpkin, Georgia, is a member of the Board of Directors of the Jekyll Island Development.

James C. Cooper, Jr., "57", is now on the staff of the Veterans Administration Hospital in Tuskegee.

Richard Fitzgerald, "59", is now studying in the Business Managers Institute at Tuskegee Institute for 1959-60.

Freddie Mae William, "59", and Moses Calhoun, "59", were the first two recent grads to pay their \$5.00 scholarship contributions. Miss Williams is currently Book Store Manager at the College.

Alphonso E. Golden, "57", currently of the U. S. Army, was transferred from New Jersey to South Dakota for more training in missiles. While at State, Pvt. Golden majored in mathematics.

Dr. Howard Copeland Williams, "42", Assistant professor of Agricultural Economics at Ohio State University, Columbus, Ohio, was a summer visitor to the campus. Dr. Williams talked with Dr. Payne and Prince Jackson, Jr., for at least an hour describing his work at Ohio State. Dr. Williams is the husband of Mrs. Blanche Braboy Williams, "49".

Stanley Whittley, "53", is now successfully engaged in Public Health work in Detroit. Mrs. Alma M. Whittley, "43", is teaching in the Motor City.

Charles L. Rawls, "37", is Executive Secretary of District II of the Georgia Interscholastic Association and doing a great job. He is also principal of Atkinson County High School.

Mrs. Josie B. Sessoms, "36", Jeans Supervisor of Tattnall and Evans Counties, participated in a Seminar in Advanced Administration sponsored by the State Department of Education. Participation was by invitation and the selections were made by Mr. T. A. Carmichael, Director of Negro Education.

Homer T. Edwards, "31", Principal of Athens High and Industrial School, congratulates Mrs. Jessie C. DeLoach, "50", on being awarded a full year's National Science Foundation Scholarship to study at Atlanta University in the field of Mathematics. Mrs. DeLoach is currently enrolled at Atlanta University.

Marriage Announcements

Miss Shirley Thomas, "58", was the June Bride of Willie N. Wright, "59".
 Miss Loretta Hagins, "61", was the June Bride of E. Gunnar Miller, "59".
 Miss Alice Pearl Fletcher, "58", was the June Bride of Willie Hamilton, "60".

Annual Christmas Party

The annual Christmas Party for members of the Savannah Chapter and their guests will be held on December 21, 1959 at the Vance Allison VFW Post Number 2933. The Post is located at 511 West Park Avenue. The party starts at 9 p.m.

Officers and members of Washington, D. C., Alumni Chapter get together for reception given in honor of National President L. D. Law, who visited and met with Chapter this summer. Members are: Back row, left to right, Mr. Loring W. Washington, Mr. Arnett Anderson, Mr. William H. Weston, Treasurer; Mr. Cleveland Brown, Mr. James O. Thomas, Dr. Julius H. Goaden, Parliamentarian; and Rev. Armor S. Davis. Front row, left to right: Mrs. Edwina Washington, Mrs. Eula V. Hicks, Mr. Raymond Knight, President; Mrs. Flossie M. Knight, and Mrs. Raas Moore, Secretary. Absent is: Mr. Johnny Johnson, Vice President. "Second Generation": Norman B. Elmore, Jr., son of Norman B. Elmore, Sr., "42", interviews recent graduates. They are, left to right: Iris Parrish, "59", Katie Williams, "58", and Peter J. Baker, "58". Scene is College Center following Homecoming game.
