

The Major Richard R. Wright Award of Excellence

~~Established~~
Savannah State College ~~has~~ established The Major Richard R. Wright Award of Excellence ^{on March 28, 1972} whereby alumni, members of the community, and corporations are chosen by a jury appointed by the President to be honored for outstanding repute as leaders in their respective fields of endeavor. Nominations for the honor are made by the alumni, the student body, and the faculty. The Award commemorates Major Richard R. Wright, the first President of Savannah State College.

To qualify to receive this Award, an alumnus, a member of the community, or a corporation must have worked constructively to change the pulse of the community for the better. The parties cited must have used innovative approaches in opening new avenues of awareness for the individual and society as a whole. The honorees must have utilized scholarly means which address the needs of the public and attempt to improve the human condition. Recipients of this Award must be eclectic thinkers who have proven themselves able to transcend the false pride that tempers self-aggrandizement.

The Major Richard R. Wright Award of Excellence will not be given injudiciously. Those parties that receive the Award will be noted for their expertise in social, educational, and civic arenas.

The College will recognize recipients of the Major Richard R. Wright Award of Excellence at Commencement Convocations.

Since the Board of Regents does not allow any of the state colleges to confer honorary degrees, this Award is given by Savannah State College in lieu of them.

RICHARD GORDON HATCHER, a symbol of the proud and catholic man, is an alumnus of Indiana University, where he received the baccalaureate degree in economics and government, and of the Valparaiso University School of Law, where he received the *Juris Doctor* degree with honors in criminal law.

His inventive and inquisitive mind has led him into all corners and byways of the civic and political spheres. He has developed the theory that all men must enjoy the fruits of the American experience in this — the Age of Aquarius.

Mr. President, I present to you the Honorable Richard Gordon Hatcher, Mayor of the City of Gary, Indiana, who is to receive the Major Richard R. Wright Award of Excellence.

President Jackson

RICHARD GORDON HATCHER, in recognition of your waging an unrelenting war on racism, and for crumbling the oppressing reservoirs of human deprivation and inequality, I now award you the Richard R. Wright Award of Excellence.

Assistant Professor Elmore

WILLIAM A. "BILL" BINNS is that rare human being who has done his utmost to help mankind, since receiving the Bachelor of Science degree from the Georgia Institute of Technology in the area of industrial management.

His deportment has and continues to attest to his keen perception of the human condition, clear vision of the public social needs, and an aptitude for effective administration of the corporate enterprise.

Mr. President, I present to you Mr. William A. "Bill" Binns, a man whose ethical values have compelled him to help others, to receive the Major Richard R. Wright Award of Excellence.

President Jackson

WILLIAM A. "BILL" BINNS, in recognition of your exemplary leadership, outstanding service to the community, and Herculean efforts undertaken to improve the quality of life for the deprived, I am pleased to award you the Major Richard R. Wright Award of Excellence.

Assistant Professor Elmore

WALDO W. E. BLANCHET, an untiring scholar, who has earned the A.B., M.S., and Ph.D. degrees, is the epitome of the man who has lived his life according to the highest traditions of his profession. He has been an inspiring professor and devoted President of the Fort Valley State College. Dr. Blanchet's exceptional professional attainments are rivaled only by his high devotion to interests of the common man.

Savannah State College joins those agents of goodwill who praise Waldo W. E. Blanchet for the exemplary work he has done in the field of higher education for more than four decades. Such a man deserves to be paid public tribute for the unselfish manner in which he has served mankind.

Mr. President, I present to you a distinguished scholar and administrator, Dr. Waldo W. E. Blanchet, President of the Fort Valley State College, who is to receive the Major Richard R. Wright Award of Excellence.

President Jackson

WALDO W. E. BLANCHET, in recognition of your waging an unrelenting war on illiteracy for more than four decades to uplift human dignity, I am honored to award you the Major Richard R. Wright Award of Excellence.
